

SOLID EPOXY COLOUR COATINGS

CTM EPOXY COATINGS are solvent and odour-free products. These products restore existing concrete floors and provide a seamless, and easy to clean surface that exhibits excellent resistance to abrasion and chemicals. These products are available in many colours, and additives can be incorporated for enhanced slip resistance, with sheen levels available in gloss, satin, and matte.

Advantages

- Unique appearances and patterns
- Impermeable, easy-to-clean surface
- Seamless and joint-free
- Low odour during application

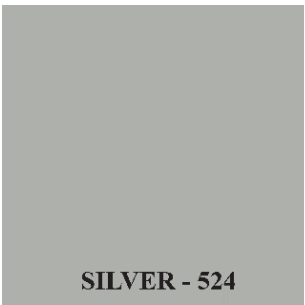

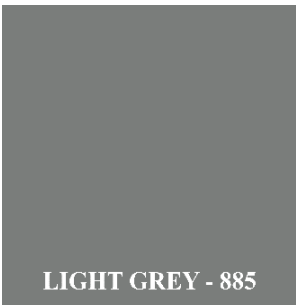

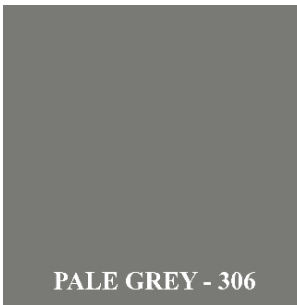

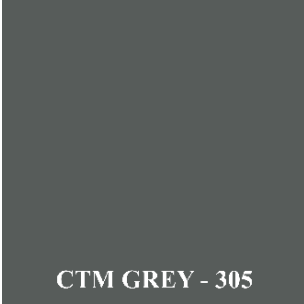

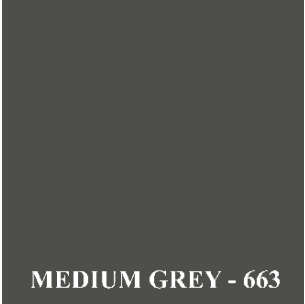

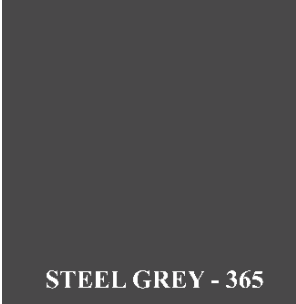

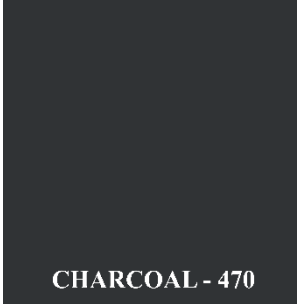

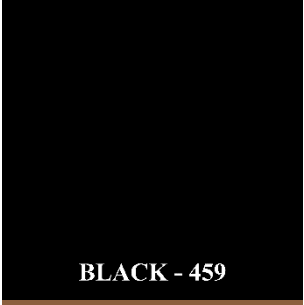

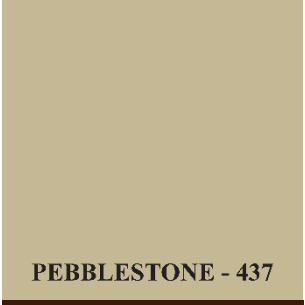

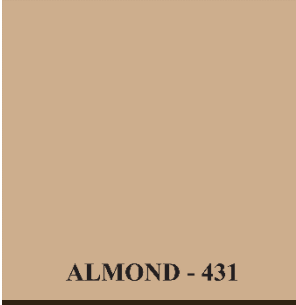

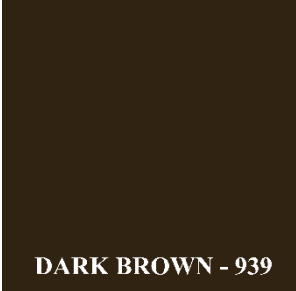

Areas of Use

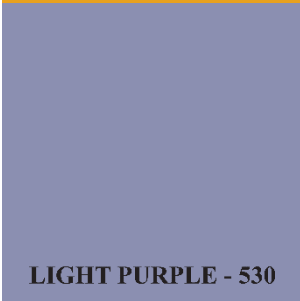

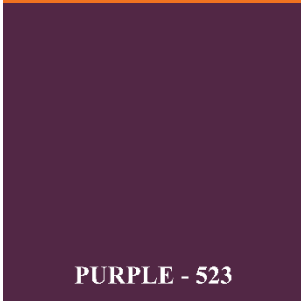

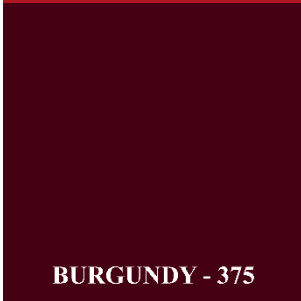

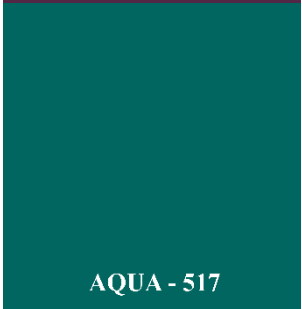

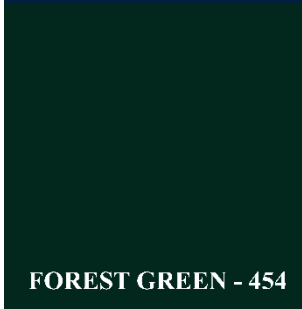

- Commercial
- Residential
- Industrial
- Retail Stores
- Showrooms
